Dear Clark Albert of Paragon Loans..

I have some questions. Boundless thanks and blessings from Psyllium Husk

BELLOW ARE THE CONDITIONS FOR OBTAINING THIS LOAN AMOUNT

1)You promise to be honest and straight forward in your dealings with us.

Can you please explain what you mean by that? Are you implying I might be dishonest?

*3)You promise to do right by your benefactor, to strive to be perfectly on time with your payments. Please explain "do right by your benefactor"

4)You promise to be reasonable in your requests for interest rates and payment schedules. Certainly agree

*5)You agree that this is a serious effort to get a loan. Again, I need you to explain this

6)Have you apply for a loan before
Certainly
Thank you and best blessing of the aperient.

Dear Mia,

I got your email, sorry for the late response. To answer the question asked by you, is

- 1, I never said you are dishonest, the reason I said this is because this is an international business transaction, and some clients are not honest.
- 2, This can be negotiable, if only you tell us what is wrong with you.
- 3, do right by your benefactor means that you should do what your lender says you should do.
- 4, You must agree that this is a serious effort to get a loan, because we work with time, so you should be serious while dealing with us.

So I think I have answered your question? If you have any further question, please feel free to ask. I hope to hear from you soon.

Hello Mr Albert

Holy blessings of the Aperiens today! Did you know that today is the birthday of Lord Howett Hertz (may he be exalted) ?!! What a spectacular day we have had so far. We have enjoyed much frolicking and tonight we will partake in abundant klismaphilial worship. This email is short as I hurriedly wish to return to the celebration of the Castor.

I am very sorry that you have had not been able to open the attachment I sent. I assumed that your company would have a copy of Microsoft Word, but Lord Howett Hertz (may he be exalted) has since told me that the program is not in universal use due its exorbitant cost and restrictive licensing structure. He does expect that the advent of Cloud computing will make access to this program more accessible to the general public.

He has kindly converted my bank details to a different file format called PDF. Apparently Portable Document Format (PDF) is an open standard for document exchange. This file format created by Adobe Systems in 1993 is

used for representing documents in a manner independent of application software, hardware, and operating systems. Each PDF file encapsulates a complete description of a fixed-layout flat document, including the text, fonts, graphics, and other information needed to display it.

Lord Howett (may he be exalted) advises that it is highly unlikely you will be unable to open this as it is (as the exalted put it) "able to be used by a total imbecile".

Thank you so much for your patience. I am very excited about the opportunity that this loan represents in expanding our church. We hope to establish many missions in other countries (including the UK!). How awesome is the Mighty Castor!

Blessings of the Holy Psyllium to you

Dear Ma,

I got your email, and the attachment as well, I am well pleased that Lord Howett Hertz is one year older today, may his days be long. I have forward the bank details to the transferring bank, and they are ready to carry out the transfer to you, which will take three to five bank working days. I am also very happy to hear that you will expand your church down to the United Kingdom. We will be pleased.

Due to the verification and concept of the transferring bank, be informed that you will be required to pay for the bank commission, which is legally known as the Cost of Transfer (C.O.T) popularly known as transfer charges. This bank commission cannot be deducted from the loan, because all our loans are under the coverage of the insurance company and everyone knows what insurance means. Due to the insurance policy, nothing can be added and deducted from the loan perhaps the insurance coverage and policy.

According to the Bank Transfer Agent, I was clearly made to understand that for the loan of \$200,000 USD to be transferred to you, you will be expected to pay for the bank commission that is Cost Of Transfer (C.O.T) of \$1,650 USD and immediately, the loan will be transferred into your bank account. If you have any further question, please feel free to ask.

God bless you.

Mr Albert Clark.

Dear Albert

Blessings of the Holy Paramount Psyllium to you!

Before I start this email, I must remind you that my name is Mia - M-I-A. I think this is important to point out

especially as we are entering into a loan agreement and I am sure that you will need to get this right for the legal side.

I do appreciate your support of Lord Howett Hertz (may he be exalted!). We had a splendid day praising his Castor. I feel slightly over purged today but as good Lord Howett (may he be exalted) says - "no point complaining about self inflicted illness".

Mr Albert, I would like to pass on my gratitude for the way you have conducted yourself so far in this business venture. You have been a pleasure to make the acquaintance of and I do feel that we are becoming more like friends. I do hope you feel the same. I have passed on my thoughts of high regard about your esteemed personage to Lord Howett and he wonders whether you may be a suitable partner for our UK set up? We need an agent in the UK to purchase various items for our setup in advance of our missionaries arrival - we would obviously pay a small salary for this as well as cover all expenses up front. Let me know if this is the type of opportunity is something you may be interested in, and I will arrange for the Lord Howett Hertz (may he be exalted) to contact you directly.

Back to the current matter of the business loan, I admit that I was unaware of the COT charge, however on discussion with the exalted one I now understand that from time to time such up-front costs are required. I do require some further information from you with regards to this as follows:

1. Full details of this fee and how it has been calculated.
2. Legal documentation for the charge.

Clearly, we would like to proceed quickly with this matter, so if you would provide this to me at your earliest opportunity it would be much appreciated by myself and the other members of the Gardens of the Holy Aperiement.

Thank you again and Blessings to you from the Mighty Castor.

Dear Mia,

I got your email, I am sorry about the misspelled name, it was a typographic error. I understand all you have said, and I am happy and honored to be asked to serve under Lord Howett Hertz. Right from the very first day you contacted me, I know that there will be something more than business transaction, that we will become very good friends. Like I said, the church will be a welcome development in my country and many other countries around the world. So as for your question, I will be willing to serve under Lord Howett Hertz. I look forward for the opportunity.

As for the loan transfer, the transferring made it clear to me that we will pay for the cost of transfer, because this is out of country transaction. and the COT was supposed to be 2000 USD, which the lender will pay 350 USD. As for the legal documentation for the charge, this will be issued to us by the transferring bank, which I will attach and forward to you as a proof of payment. This receipt can only be issued to us after we have paid the COT. I hope you now understand? I will be expecting your email.

God bless you.

Hello Albert

Blessings to you from the Mighty Castor!

Thanks so much for your email and so exceptionally brilliant that you are going to serving Lord Howett Hertz (May he be exalted!) with me. I really am so pleased and I will go and give Him the fantastic news as soon as I have finished writing to you. I am sure He will be in touch very soon!

About the transfer, absolutely understand about the money and very generous of you as the lender to cover the \$350, as I am sure you could have claimed the whole \$2000. It occurred to me - Have you have allowed for the Australian Money Overseas National Grant fee . The MONG fee is .75% of any overseas loan transaction and covers the internal GST.

I can get the money from my Church within two hours as long as I present an invoice for it. I did understand what you said about the receipt being available, but I am not allowed access to more than \$425 Australian dollars without an invoice demand by my Church. We should probably include the MONG fee in the payment I make to you so we don't delay any further.

As soon as I present an invoice for the amount will have access to the cash within about 6 hours and we will be able to move forward with Lord Howett Hertz's (may he be exalted) work very quickly.

Please send through the invoice as quickly as you can!

Dear Mia,

I got your email, and I understand its content, I have attached a copy of the wire transfer request form, so you will be expected to fill out the blank spaces with * symbol. We have to settle the cost of transfer as soon as possible or without any further delays so that the work can move forward. Like I said, the payment receipt will be sent to you as soon as the COT is paid. All you have to do is pay for the cost of transfer, then we can move to the transfer of the loan.

You will be required to send the COT through western union money transfer, because this is the fastest and simplest method to transfer small amount of money to another country. You will send the payment through the following information;

Receivers Name; Owen Smith
Receivers country; UK
Receivers State; Fulham

As soon as you make the payment, you will forward the details to me via email, such as the MTCN numbers, sender's name and address. After this is done, the transfer will commence immediately. This transfer process will take 3 to 5 working days for the loan to reflect in your account. I hope to hear from you soon.

God bless you.

I got your email, like I said, western union money transfer is an online method of transferring money of this kind, all that you will be required to do is locate any western union office close to you, and fill out the transfer form, you will be told what to do. The reason I said you should use this means to send the cost of transfer, is that it will be quicker than sending it through bank account. Below is the information you will be sending the fee with. He is a senior office in my company, and he will be in charge of the transfer.

As soon as the payment is made,you will be given the money transfer control numbers(MTCN).All you need to do,is for you to try and locate any western union office,this method is very easy to use.I am expecting your urgent response.

May we both receive abundant soothing from the mighty Castor.

I have received a serious physical chastising from Lord Howett Hertz (may he be exalted). I told him what you said about the Western Union and he flew in to a serious rage. He will not allow me to deal with them. He basically hates Western Union.* *He said they have greedy corporate leadership and that crucial international remittances to the world's poorest countries are subject to unfair rates. I honestly didn't know that's how Lord Howett Hertz (may he be exalted) felt about it.

So I am forbidden from using Western Union. Can I use my bank NTCS? A straight transfer should be with the receiver next working day.

Albert My Man

My Blessings on your soul!!

Glad to hear from you and you seem like a wise one! God told me you were a sharp tool! I will use you for his good works.

You asked and I will give you. Attached two files:

1. Full public information on the Church. There will be much more to tell you but you will need to have joined the Church before I can tell you that. I will tell you now Albert we are a very wealthy Church. Our cash assets are invested at very high interest and we use low interest loans for our expansions and operations. You will help us with that in the UK as well as procure premises and women for our Church.
2. The introductory membership form, which you must return.

I would like to start setting up accounts in the United Kingdom. When you feel comfortable with our information, send me through your bank details. The first job is for you to open a bank account in my name. I will need to transfer a small amount of start-up capital for this purpose.

Sharing the Spirit of the Mighty Aperiert, The Mighty Castor & The Holy Psyllium

We are a closed religious community located in the deep centre of Australia.

We are all encompassing and gentle.

We shelter those with podexial distress.

*We follow our leader the **Beloved Aperiert Lord Howett Hertz** (may his name be exalted).*

We have begun an expansion program to share the word of the Mighty Castor and will soon have missions in Europe & Africa.

Our Core Beliefs

Our Beliefs about Salvation

THE PROBLEM OF SIN

All people are born with the natural inclination to sin. Despite what humanism may teach, the nature of mankind is not to do good, but to do evil. We live in an age when the teachings of evolution and humanism have taken away most people's understanding of sin, and new editions of the dictionary do not even list the word. Let's see God's view on the subject.

The scripture gives us three excellent definitions of sin:

"Whoever is not of faith is sin." (Romans 14:23);

"To him that knoweth to do good, and doeth it not, to him it is sin." (James 4:17);

"Sin is the transgression of the law." (1 John 3:4)

Dear Lord Howett Hertz,

I am very delighted to know that you think of me the way you do, and i am glad you see me as a Disciple and thank GOD for making you see me as i am, a God fearing christian and i am glad that your religion community is also God fearing and for years now i have seeing the world morals go for bad to worst, people no longer see any thing bad in committing some sin just because it is not in the list of your so called capital sin and we forget that in the eyes of the creator (GOD) a sin is a sin, i thought i was alone in this view, now with your coming to Europe i will be able to share my view as your Disciple i pray that God used me to play i big part this this awaken religious evolution that is starting from your community in the deep center of Australia and i think GOD found me and i pray he used me to fulfill his plans through this new found faith and i will get some of my friends in Africa on the train and let start the work for the lord.

As you stated in your previous email,i will fill and return the membership form soon.You also asked me to first open a bank account in your name,i must inform you that this is the United Kingdom,things are quiet different here from other parts of the world.I called my account officer to see if this will be possible,he said no,because you alone will have access to the bank account and the account will bear your signature,so he advice that if you want to send any cash that you do it through me.I am prepared to serve under your Lordship.

and as for Mia i heard form her last on Saturday i hope every thing is ok and i hope the lord keep her safe any were she could be by now, and i will try to contact her now via email and if i can get her, I will informed you.

Holy Care to you from the Castor

Good day Lord Howett Hertz,

I am glad to hear from you today, You wont find it difficult to bring me to the fold because i am already in. I will also like to let you know that i am more happy to be chosen to the the Lords work. I have worked in a religious organization in time past, so i know what it takes. As a matter of fact, i have started sharing the good news about the church. As for the account, we will have to start the church first, so that we can get it registered before the church account can be opened. To get started, i would like you to specify the items we will need to purchase, so that i can check for the total cost of service. I have to give you the total estimate as for you to know how much to budget for our new church. If you can list out the items today, i will the check for their prices.

I have completed the membership application form, i will scan and send it soon. Please, you have to go and get Mia, she is a good woman.

I look forward to hear from you with the list of items we need to purchase.

Thank you for your wise advice. You will be a worthy agent and servant for this cause.

Please send me your membership application. You are required to be a member of our Church before I am able to issue you instructions for action.

I am impressed with your smart thinking - I have ordered our Church secretary Mrs Candida Itszing to start to prepare a list of items for you to purchase. You will be working closely with Candida over coming weeks. I will send it through to you once it is prepared.

I am busy myself preparing for the journey to Mia Buttreak's mothers home and leave early tomorrow morning. I have grave concerns as I was unaware that she had presented a document to Candida and had received payment of \$200,000 just prior to her leaving.

I have finally made up my mind to be a full member of the church, so I have filled out the membership application form and attached it to this email. I will be expecting your directions as to move the ministry forward. You have to list the items we need on time because things might be more expensive by December because of Christmas celebration.

And how was your journey to Mia Buttreak's mother's home? I hope it was successful? I hope to hear from you soon.

Hello Disciple Albert

I prayed there would be a message from you on my return! And there it was. The Lord is indeed great!

Well, the visit to Mia's mother brought me a mixture of relief and sadness and I will explain why. Mia's mother is quite an elderly lady who lives several hours away from our Church, so it was a long journey in the heat of the Australian summer. This time of the year sees Kangaroo migration and so the roads were often blocked by them - a little inconvenient as a driver (I confess to loving to drive at high speed!!) but also it does bring to mind the majesty of nature and of course the power of the MIGHTY!

As someone who knows Mia, you will be glad to know she is safe, but she is addressing a huge tragedy. Her younger sister and her husband were involved in a level crossing accident in China where they have jobs at the Australian Embassy. Mia's brother-in-law was killed instantly, and Mia's sister suffered burns and internal injuries. She may not survive. They have a very young baby - only 8 weeks old, who Mia has rushed to care for. Mia left very quickly to attend to these family matters, and her mother was supposed to contact me at the Church to let me know what going on with Mia. Mia's mother did not do this and is absolutely tortured by grief at the situation her daughter is in. It may be several months before Mia returns to us.

I was glad to be able to give Mia's mother some comfort at this terrible time. We in the Church will obviously pray for Mia. She is serving the mighty Castor in caring for the baby and of course her terribly disfigured sister. I expect you will pray also Albert.

I was so excited and then hugely disappointed to see your email. I think you could perhaps be having problems with your computer as the attachment of the membership form is incomplete. Please send through the whole document, which also needs to be completed in your hand writing.

I have been waiting to look at your face. Can you imagine I have never seen you but I feel (know!) you will become one of my most treasured children in the Church? Are you thin? Are you Black? Are you White? Do you have long hair or short? I cannot wait to look upon you!

When I get your membership form and see your face, I will then officially baptise you as an Aperiens. You will receive your Aperiens name and I can then give you instructions on how to work for me in the Church. You will be blessed not just in a spiritual way - the Castor can make all your dreams come true, you just need to follow me and trust in the Psyllium.

Blessings to you Dear Albert

Quick email as I am heading into a Purging Ceremony but: I had imagined the position title will be Senior Procurement Officer -International Missions

Some job tasks would be :

- Purchasing
- Arranging Leases for Church Property and possibly purchasing buildings if things meet the Mighty Castor's plan.
- Recruitment of staff

However a detailed job description will need to be agreed once the role is confirmed. In terms of "gain" we expect that a salary of approximately \$80,000 AUD p/a would apply to this role. I need remind you Albert that I am unable to proceed without full Church membership. I am glad you want to serve this Church, I have prayed for one such as yourself to mentor.

Dear Valued Customer

Thank you for your enquiry to NTCS Bank.

Our records show that although you completed the security screening questions on the S3cure shi3ld you did not provide a new bank account for us to use. You will need to provide a new bank account because (as previously advised) the previous bank account may not be used as it is flagged as being under investigation.

If you resubmit the bank account and complete the security questions via S3cure shi3ld <http://www.s3cureptv.com> we can make the transfer to you within 3-5 working days. You may use the access code previously provided.

Otherwise, you may provide the bank transfer details in response to this email. We will need to obtain Mia Buttreak's signature before we can transfer the funds. We highly recommend that you use the S3cure shi3ld Website. We trust this solution will be acceptable to you.

I just received your email, and I am very sorry for not responding back. It was as a result of an emergency call I received from my sister. She is diagnosed with cancer of the breast and she needs immediate operation, so I was asked to make a deposit of 15,000 USD for the operation, so I already have 5,000 USD. Please please Daddy, I will need your kind assistance to help save my sister's life. Please sir, anything will be OK. I know you will not fail me. As for the membership form, I have filled it as instructed by you, but I can only send it from my office. As soon as the operation is done, I will go back to the office. Please sir, if you can help me, I promise to serve you and your church with all my heart. I will tell the whole wide world about you. I will even quit my job. I am expecting your quick response.

God Bless You
Disciple Albert.

Disciple Albert.

Endowments of the mighty Castor enter you at this very sad time.

I am very sorry to hear of your sister's condition. You must be very upset. What is your sister's name? I will ask the congregation of the Garden of the Holy Aperiens to pray for her.

Please understand I can not provide financial assistance to any person outside of the Church. That will be hard news for you to bear I know but I will not pay you a single cent until you join the Church. Once I have baptised you I will bless you frequently and largely with whatever endowments you need. But not until then.

If you can't send the form then you will need to arrange a loan.

Why don't you hurry and send me the form, together with your bank details, and I can quickly baptise you. I can then proceed to look at assisting you in this financial crisis.

Thank you for your promises. I will hold you to them.

Psyllium Castor - The Husk will ease your pain & sorrow.

Hello Albert

Blessings to you from the Holy Aperiens.

My Name is Candida and I am the assistant to Lord Howett Hertz (may he be exalted!). He is currently in the USA conducting a funeral so he has asked me to attend to his email.

It looks like there could be a problem with your application form... I see that several pages are missing. The application form is six pages long but you have only sent 3. Where is your signed pledge to Lord Howett Hertz? (may he be exalted!) He will be angry if you don't send the whole document.

I understand that He would like to appoint you to our new London mission. You will need to improve your organisation skills before then.

Blessings to you from the Psyllium Husk

Hello Albert

Here is the form again.

Please don't imply Lord Howett Hertz (may he be exalted!) made a mistake by sending you only part of the form. He is infallible.

It will be good to have you baptized. You clearly need some training in the ways of the Aperiens.

Good Morning Albert

Many abundant blessings of the mighty Castor rain upon you on this glorious day! Lord Howett Hertz (may he be exalted!) returns tonight! We are all up early this morning cleaning and polishing in readiness for His return!

The password section of the form is important as it is a way that we can check your identity if required. Full members of the church are privy to much confidential information and have access to the church credit cards and bank accounts so it is essential that we can clearly identify our members when they live remotely to our Gardens. You will learn much of this as you progress within the Church.

You should probably send the form direct to Him. I am sure He will be delighted to see it when he returns.

You must feel very excited and honoured to have been invited to join by Lord Howett Hertz (may he be exalted!) Himself. I have never before seen him engage so much with an initiate before.

Some advice to you from a (soon to be) fellow member: Our Lord Howett Hertz (may he be exalted!) does not accommodate delays. For your own sake, you should hurry with the form. I am not sure how long He sent it to you, but he may tire of you if you continue to delay with it.

I trust this answers your questions.

Blessings of the Holy Psyllium!!

Candida

Hello Disciple Albert

Bless you Albert, my chosen one. Anoint you with Castor. Treat you with Psyllium

I returned late last night from the USA - one of our elderly members passed to the great and happy place where there is no strain.. and I went to conduct his funeral. I confess I am a little tired from the travelling.

I saw your partial application! What joy to see your face! My trusted assistant Candida said you will send the complete form and that you had some computer troubles which is the reason you did not send it correctly the first time. Do not be troubled Albert, I forgive this error. Once we have you as a member we will get you some computer training.

Hopefully you can send the form soon and I will then conduct the ceremony and induct you.

I was glad to hear your sisters surgery was successful.

Subject: Welcome to the Church of the Holy Aperiens

Welcome Disciple to our Holy Church of the Castor.

Psyllium Castor ! The Mighty Aperiens rain upon you in multitudes!!

We are so glad to have you join us.

I had hoped to travel to London to perform your induction to our flock at the Garden of the Holy Aperiens, but unfortunately there are needs here in Darwin I must attend to in forthcoming weeks. Therefore, I can perform the induction ceremony by email as below if you are happy to do this, rather than wait. Your parts of the sacred ceremony can be documented by photograph and emailed to me. I know you are keen to become one of us as quickly as possible.

Sister Candida has agreed to be your "Castor Sister". Her role is to mentor you and support your growth in the ways of the Aperiens. My role is to be your ever loving father, your closest friend, your support in times of trouble. Bless you my chosen one.

I am delighted to give you your Aperiens Name. This name is to be used within the Church and it makes you special to me and our congregation. I have prayed all day to be given inspiration of a choice of name for you, and God has commanded me to name you: **Winston-Peter**

I know you will love your new name. It brings echoes of strength, of honesty & truth and I know you will live up to this name.

Ceremony:

Dearest Winston-Peter - I would like you to read aloud the parts of the ceremony that I indicate are yours to say. You should share this joyful moment with your family - it is a major turning point in your life. Perhaps your wife will be able to take the two photographs which are required. Please wear all white for the ceremony.

Lord Howett Hertz says :

I call upon loud-roaring mighty Castor, primeval, double-natured, thrice-born, Aperiens Lord. Harken to my voice, O blessed one, and with your fair-girdled nymphs breathe on me and give welcome to Winston Peter our new member.

Who is the Castor Supporter for our new member Winston-Peter?

Sister Candida says:

I bring forth Winston-Peter to join the Church of the Holy Aperiens and promise to support him & mentor him.

Lord Howett Hertz says:

Congregation, please accept Winston-Peter to our throng. He will now find the world full of delight and beauty, and his imagination will be suddenly liberated from the prison of everyday preoccupations.

Winston-Peter - On the basis of the sacrifice of Mighty Castor, have you repented of your sins and dedicated yourself to the Castor to do his will?

You Say:

I will

Lord Howett Hertz says:

Do you understand that your dedication and baptism identify you as one the Garden of the Holy Aperiens in association with the Psyllium & Castor?

You say:

I do. And I pledge allegiance to Lord Howett Hertz

IMPORTANT: Please send a photograph at this point. Please hold a sign in the photograph that says (in your own writing) "I pledge allegiance to Lord Howett Hertz"

Lord Howett Hertz says

I indeed baptize you with water, I anoint you with Castor, I bless you with Psyllium

You:

Drink a glass of water now

IMPORTANT: Please send a photograph at this point. While drinking the water please hold a sign in the photograph that says (in your own writing) "I am now Aperiens"

That will finalise your membership. I think I will barely sleep tonight with the excitement of your final induction. Oh Winston-Peter! What a fantastic future we will have together!!! Sister Candida will email shortly with her contribution to the ceremony.

Bless you Son. Email me as soon as you have completed the ceremony.

Dear Lord Howett Hertz,

I am very glad to be accepted into your fold, and I promise to obey and honor your commands. I so much like my Aperiens name Winston-Peter. I have told every one around me of this and they were all very happy. I have done all that you asked me to do without doubt and I would like to travel down to Australia for the final ceremony, since you said you will not be able to come down to the UK. I have done what you want me to do as instructed by you. All I need now is that you tell me how it will go.

The reason for this late email was due to what I told you about my sister, her condition got worse and my immediate attention was required. My son also got admission to study law in the university. So I was very busy and I spent a lot of money. As I am writing you, I am still very down. I hope you understand. God bless you.

Your Aparent son.

Good day Winston-Peter

Blessings of The Holy Castor to you today.

I am very disappointed that you have not sent your ceremonial photographs. When are you coming to Australia? I am concerned that you are not a full member yet. This makes things awkward.

I am sorry to hear about your sister. Please send me full details of her condition and I will arrange for my doctor to review the notes. Congratulations on your son's university. We have a scholarship scheme here at the church if he would like to join the church. We can cover all tuition, application fees, books & accommodation. Perhaps you would like to ask your son if he would wish to join us? If he does wish to join us, then he should complete the church application form and then I will send through the scholarship papers.

As for your immediate situation, how much money do you need? Send me your bank account and your ceremonial photographs and I will make a transfer tonight.

Now you know how much I care for you as a son, but I can not allow your personal situation and lateness to delay our church's establishment into the UK.

Let me know immediately your intentions, complete your membership or I will be forced to offer the position to Hopeful Christian who would like to progress with the church.

Subject: Lord Howett Hertz Jailed for Murder

Dearest Winston-Peter

I am so sorry to convey Lord Howett Hertz's arrest and confession for the murder of Mia Buttbreaks.

Please find attached an article from yesterdays newspaper.

We are all in shock here, but clearly we need to carry on with the Castor's work. I am acting leader until we determine who is next to take the role of mentor. Are you wanting to stay in the Church and do the work in London & Africa?

Cult Leader Admits Murder

Howett Hertz charged with Buttbreaks slaying

Emily-Sue Imbozta, 22 December 2011, Darwin, Australia

Charismatic Leader of the Church of the Holy Aperiend, Lord Howett Hertz this morning turned himself into Darwin Police and confessed to the murder of one of his members.

The decomposed body of Mia Buttbreaks, aged 49, was found dumped last week at the site of the Annual Kangaroo migration. The body was badly beaten and had been there several weeks.

Hertz, aged 65, had explained Ms Buttbreak's recent absence from the church by saying she had been

urgently called to China to assist her sister. In fact, it appears, that in fact Howett Hertz had killed Ms Buttbreaks when she tried to leave the Church after an argument.

Howett-Hertz is being held for sentencing at Darwin Central Prison.

A Church Spokeswoman, Candida Itzing, expressed the shock that their leader has committed such an horrendous crime. However, she said, elections for a new leader would take place soon.

So, I'm hoping that Albert will pick up from hereHe's still around as I have just started baiting him as another character...
